Then tell him about Ayer's Cherry Pectoral. Tell him how it cured your hard cough. Tell him why you always keep it in the house. Tell him to ask his doctor about it. Doctors use a great deal of it for throat and lung troubles.

I had a terrible cold and cough and was treated with pneumonia. I tried Ayer's Cherry Pectoral and it gave me quick relief. It is certainly a most wonderful cough medicine. —Helen E. Whitman, Brockton, Mass.

"The King of Tramps" which comes to the New Grand January 1, is truly an American comedy set to Yankee Doodle music. Unlike the usual so-called musical comedies this play contains a real plot, with an interesting story set in a jolly, jingling romp of rollicking music. This is a style of music that will please all people who appreciate common sense comedy. Watch for the parade at noon.

### BAD STOMACH

#### MAKES BAD BLOOD.

You can't make sweet butter in a foul churn. Every farmer's wife knows this. Your stomach churns and digests the food you eat, and if foul, torpid or out of order, your whole system suffers from blood poisoning. You will have foul breath, coated tongue, bad taste, poor appetite and a whole train of disagreeable symptoms. Dr. Pierce's Golden Medical Discovery, which is not a beverage composed of whisky or alcohol, being entirely free from intoxicants, is a great regulator and invigorator of the Stomach, Liver and Bowels.

"About a year ago I was ill with blood poisoning," writes Miss Evelyn Lewis, of 89 Walter Street, Buffalo, N. Y. "I had what seemed to be a small cold sore on my lip. It became very angry in appearance and began to spread until it nearly covered my face. I was a frightful sight and could not go out-side the house because of my appearance. I used a blood medicine which did not give me any relief. Then I began to take your Golden Medical Discovery. I was greatly benefited with the first bottle and after taking the second bottle was completely cured. The erysipelas eruption disappeared and my blood was cleansed. My complexion is clear and fresh and I have felt better this year than I did for some time before. Dr. Pierce's Golden Medical Discovery is certainly a most remarkable medicine."

Don't accept a substitute for a medicine which performs such cures and which has a uniformly successful record of nearly forty years to its credit. It's an insult to your intelligence for a dealer to try by over-persuasion to palm off upon you in its stead some inferior article with no record to back it up. You know what you want; it is his business to meet that want.
